**CLINICAL OPERATIONS & CLINICAL TRIAL SUPPLY CHAIN**  
**STRATEGY MEETING WEST COAST USA 2024**  
Thursday 23rd May 2024 8 Hard Rock Hotel San Diego

*We're committed to delivering long-term value across our extensive life science network. Through our carefully crafted meetings, collaborative experiences and services Proventa International can offer you the perfect opportunity to meet your business goals, whatever they may be.*

## Our Vision

To be a platform for creating life-saving therapies and to facilitate the creation of a completely patient centric pharmaceutical industry.

## Our Mission

By encouraging key leaders and their companies to put the patient at the very heart beat of every innovation. Sharing valuable insights and strategies to assist in the discovery, development and commercialisation of life saving therapies.

## Our Unique Meeting Format

### ROUNDTABLE DISCUSSIONS

These interactive and informal discussion groups are the hallmark of the meeting. The brightest minds in the industry are brought together in 60-minute sessions that enable participants from all over the world to share ideas, challenges and lessons learned.

### PERSONALISED AGENDA

Each delegate receives a personalised agenda with the roundtable discussions that you choose. You only attend sessions and meetings that fit your challenges and interests, ensuring your time spent is focused and well-utilised.

### INNOVATIVE SOLUTIONS

The most effective and time efficient way to assess potential partners at a strategic level. Identify key solution providers that can take your business to the next level and we will help arrange private meetings so you can connect.

### STRATEGIC NETWORKING

Strategic networking opportunities form a key benefit of the meeting. Our proven format for building and strengthening alliances to make lasting connections that benefit you.

## CO-HOST SPONSORS

**CRIO**, the leader in eSource technology, is an enterprise grade eClinical solution transforming clinical research with the latest in cloud technology. CRIO eSource enables remote monitoring and immediate data review with a powerfully integrated eSource/EDC solution that protects data integrity. With CRIO, users enter data into a simple, interactive application, capturing data only once - at the moment of immediacy - without re-entering data into the EDC. Alerts, automatic calculations, and custom controls make data entry more efficient, timely and accurate. And, because everything is available online, CRAs can monitor site operations remotely, and data managers can view data immediately.

**Peli BioThermal** offers the widest range of temperature-controlled, thermally-protected packaging and service solutions to the global life sciences industry. The company's products are designed for use in Clinical Pharmaceutical, Cell & Gene, Clinical Trials and Commercial Pharmaceutical applications, as well as Air Ambulance and Military Medicine. We are dedicated to developing innovative products designed to fulfil the complex needs of the global life sciences industry. The company's customers benefit from its extensive expertise in ensuring that temperature stability is maintained throughout the distribution chain. The company also offers a complete portfolio of services, including Rental & Lease option, plus software to support end-to-end temperature-controlled packaging asset management.
