OUR UNIQUE MEETING FORMAT

- **Roundtable Discussions**
These interactive and informal discussion groups are the hallmark of the meeting. The brightest minds in the industry are brought together in 60-minute sessions that enable participants to share ideas, challenges and lessons learned.
- **Personalised Agenda**
Each delegate receives a personalised agenda with the roundtable discussions that you choose. You only attend sessions and meetings that fit your challenges and interests, ensuring your time out of the office is focused and well-utilised.
- **One-to-one Meetings**
The most effective and time efficient way to assess potential partners at a strategic level. Gain access to our exclusive networking app to identify the people that you need to meet. The app suggests a suitable time and place, all you need to do is grab the coffee.
- **Strategic Networking**
Strategic networking opportunities form a key benefit of the meeting. Our proven format for building and strengthening alliances is underscored by a host of networking programmes, from a buffet breakfast through to evening drinks, make lasting connections that benefit you.
