

HR in Life Sciences Insights on purpose, values, and future strategies

ageneo Life Science lädt zum exklusivsten HR-Event 2020 für die Life-Science Industrien ins Mandarin Oriental in München. Das gesamte Personalwesen befindet sich seit Jahren im Wandel: Digitalisierung, die Generationen X, Y, Z, New Work und die Herausforderungen bei Personalgewinnung und -retention sowie viele andere Themen treiben die Branche seit langem um und stellen uns immer wieder vor neue Herausforderungen. In dieser Spotlight Session werden wir uns im exklusiven Rahmen in interaktiven Diskussionsrunden und spannenden Impulsvorträgen genau den Themen widmen, die Sie beschäftigen. Darüber hinaus bieten wir ausreichend Zeit für das Networking, so dass sich EntscheiderInnen aus den Life-Science Industrien miteinander vernetzen und untereinander kennenlernen können. Wir freuen uns darauf, Sie als Gast bei unserer diesjährigen Spotlight Session begrüßen zu dürfen!

ageneo Life Science invites you to this year's most exclusive HR-event for the life science industries. The event will take place on May 19th at the Mandarin Oriental in Munich. For many years, HR has been in continuous change: digitalisation, the generations X, Y, Z, New Work, as well as recruiting and retaining personnel are challenges that drive and transform the HR industry. In this exclusive Spotlight Session, we will take a closer look at the most important topics in and for HR. The event is designed with different formats, combining inspiring keynotes with interactive roundtable discussions and case study sessions. Additionally, there will be plenty of time for networking so that decision makers from our industries can get connected and acquainted. We are looking forward to being your host at this Spotlight Session!

KEY OPINION LEADERS

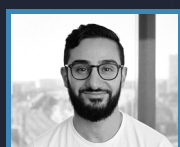

Dilsâd Babayigit, CEO, ageneo Life Science Experts

Dilsâd Babayigit is founder and CEO of ageneo Life Science, one of the quality leaders in the recruitment branch for the life science industries. With more than fifteen years of recruiting experience, she is a trusted partner and advisor for many decision makers in the life sciences, ranging from big pharma and medical devices corporates, to small biotech start-ups and medium-sized medical device companies. Besides recruitment mandates, she executes with her team organisational and performance management projects for clients in Germany, Austria, and Switzerland.

Stefan Grabmeier, Founder, Next Entrepreneurs Organisation gUG

Stephan Grabmeier is one of the top-rated thought leaders for Innovation, New Work, and sustainable transformation. His clients range from many top managers to board members of premium and leading companies. As a start-up Business Angel, he also supports the Grameen Creative Lab and its social business activities in collaboration with Nobel Peace Prize laureate Prof. Muhammad Yunus. His current book "Future Business Kompass" is a compulsory reading for all change makers. For more information, please visit his blog: www.stephangrabmeier.de.

Payam Parniani, Founder, KXRE

Payam Parniani is a consummate employer branding expert and creative strategist and combines strong designs with smart media-strategies in order to achieve his customer's marketing and recruiting goals. Payam is trustes partner of customers such as Axel Springer, Otto, Accenture, EY, Allianz, Freudenberg, and Microsoft and has been awarded several times at "HR Excellence" and "Quality Employer Branding" for his creative work.
