

Bioinformatics & IT Strategy Meeting Boston 2024 Le Méridien Boston Cambridge November 11, 2024

COMPANY	JOB TITLE
AbbVie	Senior Principal Scientist
Abbvie	Principal Scientist
Abbvie	Principal Scientist
Abbvie	Director II
Abimmune Bio Alexion Astrazeneca	CSO Head of Bioinformatics and Data Science
Alexion Astrazeneca Alexion Astrazeneca Rare Disease	Director IT - Medical Affairs
Alexion Pharmaceuticals	Associate Director - Al Diagnostics
Alnylam Pharmaceuticals	Vice President, Research Informatics
Astellas	Associate Director Computational Biology ML/AI
AstraZeneca	Global Head, Analytics for Health Economics and Outcomes Research
AstraZeneca	Head, Clinical Bioinformatics
AstraZeneca Astrazeneca	Senior Director of Bioinformatics Director
Atavistik Bio	SVP of Platform
Bayer	Director for Computational Biology
Bluebird Bio	VP Head of IT, Facilities, and Lab Services
Bluebird Bio	Sr Dir IT SG&A, R&A, Quality & Compliance
Bluebird Bio	Director, Enterprise Data Management & Analytics
Blueprint Medicines	Associate Director, Cheminformatics & Machine Learning
BlueRock Therapeutics	Senior Vice President, IT
Boston University Cellarity	Executive Director, Bioengineering Technology & Entrepreneurship Center Vice President and Head, Computational Chemistry
Cellarity	Principal ML Scientist
Cellarity	Director Data Engineering and Research Informatics
Cook Children's Health Care System & Affiliates	VP Chief Data and Analytics Officer
D2M Biotherapeutics	Head of Bioinformatics
Dana-Farber Cancer Institute	Director of Bioinformatics and Molecular Data
Eli Lilly	Senior Director, Counsel
Excision Biotherapeutics Harvard Medical School/ Mass General Hospital	Associate Director, Bioinformatics Director of Bioinformatics
Kymera Therapeutics	Senio Vice President, IT and Operations
LifeMine Therapeutics	Vice President, Translational Bioinformatics
LifeMine Therapeutics	Chief Data Officer
Merck	Director, Data, Al & Genome Sciences
MOMA Therapeutics	Senior Director of Informatics and Technology
Morphic Therapeutic	Principal Scientist, Head of Research Data Architecture and Operations Head of Bioinformatics
Morphic Therapeutics Nested Therapeutics	VP, Head of Data Science
Omega Therapeutics	VP
Orbital Therapeutics	••
	Director Data Sciences
Orbital Therapeutics	Director Data Sciences Senior Director, IT
Orna Therapeutics	Senior Director, IT VP IT
Orna Therapeutics Photys Therapeutics	Senior Director, IT VP IT Associate Director of Research Informatics
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations
Orna Therapeutics Photys Therapeutics	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture &
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture &
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Sanofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Sanofi Sanofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering Head of Variant Surveillance Head human genetics & genomics Principal Scientist
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering Head of Variant Surveillance Head human genetics & genomics Principal Scientist Head, Late Translational Oncology
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sonofi Sonofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering Head of Variant Surveillance Head human genetics & genomics Principal Scientist Head, Late Translational Oncology Global Head, Pre-Clinical and Translational Sciences
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Tanofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering Head of Variant Surveillance Head human genetics & genomics Principal Scientist Head, Late Translational Oncology Global Head, Pre-Clinical and Translational Sciences Head, Digital Solutions
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sonofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering Head of Variant Surveillance Head human genetics & genomics Principal Scientist Head, Late Translational Oncology Global Head, Pre-Clinical and Translational Sciences Head, Digital Solutions Technology Lead, Scientific Informatics
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Takeda Takeda Takeda Takeda Takeda Takeda	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering Head of Variant Surveillance Head human genetics & genomics Principal Scientist Head, Late Translational Oncology Global Head, Pre-Clinical and Translational Sciences Head, Digital Solutions Technology Lead, Scientific Informatics Associate Director, Data Science Lead
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sanofi Sonofi Sanofi	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering Head of Variant Surveillance Head human genetics & genomics Principal Scientist Head, Late Translational Oncology Global Head, Pre-Clinical and Translational Sciences Head, Digital Solutions Technology Lead, Scientific Informatics
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Satofi Sanofi Sonata Therapeutics Takeda	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering Head of Variant Surveillance Head human genetics & genomics Principal Scientist Head, Late Translational Oncology Global Head, Pre-Clinical and Translational Sciences Head, Digital Solutions Technology Lead, Scientific Informatics Associate Director, Data Science Lead Data Solutions Architect
Orna Therapeutics Photys Therapeutics Ractigen Therapeutics Ratio Therapeutics Regeneron Regeneron Sail Biomedicines Sanofi Takeda	Senior Director, IT VP IT Associate Director of Research Informatics Director of Laboratory Operations Chief Data Officer Head of Global Development Solutions - Global Services, Architecture & Compliance Director Data Engineering & Advanced Analytics Director of Data Science Head, Portfolio Analytics - Global R&D Global Head, R&D Digital and Data Platforms Regional Data Privacy Officer, North America and Specialty Care Global Lead, R&D Insights & Analytics Scientist Product Manager / Product lead Head of Bioinformatics, Data, Software and Pipeline Engineering Head of Variant Surveillance Head human genetics & genomics Principal Scientist Head, Late Translational Oncology Global Head, Pre-Clinical and Translational Sciences Head, Digital Solutions Technology Lead, Scientific Informatics Associate Director, Data Science Lead Data Solutions Architect SVP - Digital Systems

Valo	VP, Data Science	
Vertex Pharma	Senior Director - Commercial Technology	
Visterra, Inc.	Vice President, Research	
Voyager Therapeutics, Inc.	Head of Data Science	
Whitehead Institute	Director, Bioinformatics and Research Computing	
Xilio Therapeutics, Inc.	Senior Vice President, IT
